CONSTITUTIONAL AMENDMENT
DRAFT ATTORNEY GENERAL'S STATEMENT

SD Secretary of State

Title: An Initiated Amendment Prohibiting Taxes on Anything Sold for Eating or Drinking.

Explanation:

Currently, the state collects tax on the sale or use of certain foods or drinks. Many municipalities also collect tax on the sale or use of foods or drinks.

This initiated amendment overrides existing laws and prohibits the state, or municipalities, from collecting sales or use tax on anything sold for eating or drinking by humans. The amendment eliminates these sources of revenue.

The amendment does not prohibit the collection of sales or use tax on alcoholic beverages or prepared food. Prepared food is defined by law to include food that is sold heated or with utensils.

Judicial clarification of the amendment may be necessary. The Legislature cannot alter the provisions of a constitutional amendment.
