INITIATED MEASURE

ATTORNEY GENERAL'S STATEMENT

Title: An Initiated Measure Repealing South Dakota's Medical Marijuana Program.

Explanation:

In the 2020 General Election, the voters approved the creation of the South Dakota medical marijuana program. By approving that program, the voters legalized the possession, use, cultivation, manufacture, and sale of marijuana and marijuana products, under certain conditions, for medical purposes.

This initiated measure repeals South Dakota's medical marijuana program. If approved, that repeal makes all possession, use, cultivation, manufacture, and sale of marijuana and marijuana products a crime.

This initiated measure does not affect laws dealing with hemp. Marijuana remains illegal under Federal law.

- (2) ~~Reimbursement by a registered qualifying patient to the patient's registered designated caregiver for direct costs incurred by the registered designated caregiver for assisting with the registered qualifying patient's medical use of cannabis;~~

Section 3. That § 34-20G-3. be REPEALED:

~~No nonresident cardholder is subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including civil penalty or disciplinary action by a business or occupational or professional licensing board or entity, for transporting, purchasing, possessing, or using medical cannabis in accordance with this chapter if the nonresident cardholder does not possess more than three ounces of cannabis and the quantity of cannabis products established by rules promulgated by the department under § 34-20G-72.~~

Section 4. That § 34-20G-4. be REPEALED:

~~There is a presumption that a qualifying patient or designated caregiver is engaged in the medical use of cannabis in accordance with this chapter if the cardholder is in possession of a registry identification card and an amount of cannabis that does not exceed the allowable amount of cannabis. The presumption may be rebutted by evidence that conduct related to cannabis was not for the purpose of treating or alleviating a qualifying patient's debilitating medical condition or symptom associated with the qualifying patient's debilitating medical condition under this chapter.~~

Section 5. That § 34-20G-5. be REPEALED:

~~No practitioner is subject to arrest, prosecution, or penalty of any kind, or denied any right or privilege, including civil penalty or disciplinary action by the South Dakota Board of Medical and Osteopathic Examiners or by any other occupational or professional licensing board or bureau, solely for providing written certifications or for otherwise stating that, in the practitioner's professional opinion, a patient is likely to receive therapeutic or palliative benefit from the medical use of cannabis to treat or alleviate the patient's serious or debilitating medical condition or symptoms associated with the serious or debilitating medical condition. Nothing in this chapter prevents a practitioner from being sanctioned for:~~

- ~~(1) Issuing a written certification to a patient with whom the practitioner does not have a bona fide practitioner-patient relationship; or~~
- ~~(2) Failing to properly evaluate a patient's medical condition.~~

Section 6. That § 34-20G-6. be REPEALED:

~~No person licensed by the state or any other governmental entity to engage in any profession, occupation, or other activity is subject to disciplinary action, denial of the rights and privileges of such license, or otherwise penalized by the licensing authority for lawfully engaging in any activity authorized under this chapter or providing any service to a person engaged in activity that is authorized by this chapter merely because that activity is prohibited by federal law.~~

Section 7. That § 34-20G-7. be REPEALED:

~~No person is subject to arrest, prosecution, or penalty of any kind, or may be denied any right or privilege, including any civil penalty or disciplinary action by a court or occupational or professional licensing board or bureau, for:~~

- ~~(1) Providing or selling cannabis paraphernalia to a cardholder, nonresident cardholder, or to a medical cannabis establishment;~~
- ~~(2) Being in the presence or vicinity of the medical use of cannabis that is exempt from criminal or civil penalty by this chapter;~~
- ~~(3) Allowing the person's property to be used for an activity that is exempt from criminal or civil penalty by this chapter; or~~
- ~~(4) Assisting a registered qualifying patient with the act of using or administering cannabis.~~

Section 8. That § 34-20G-8. be REPEALED:

~~No dispensary or a dispensary agent is subject to prosecution, search, or inspection, except by the department pursuant to § 34-20G-69, seizure, or penalty in any manner, or may be denied any right or privilege, including civil penalty or disciplinary action by a court or business licensing board or entity, for acting in accordance with this chapter to:~~

- ~~(1) Possess, transport, or store cannabis or cannabis products;~~
- ~~(2) Deliver, transfer, or transport cannabis to a testing facility and compensate a testing facility for services provided;~~
- ~~(3) Accept cannabis offered by a cardholder or nonresident cardholder if nothing of value is exchanged in return;~~
- ~~(4) Purchase or otherwise acquire cannabis from a cultivation facility or dispensary, and cannabis products from cannabis product manufacturing facility or dispensary; and~~

Section 9. That § 34-20G-9. be REPEALED:

~~No cultivation facility or a cultivation facility agent is subject to prosecution, search, or inspection, except by the department pursuant to § 34-20G-69, seizure, or penalty of any kind, or may be denied any right or privilege, including civil penalty or disciplinary action by a court or business licensing board or entity, for acting in accordance with this chapter to:~~

- ~~(1) Possess, plant, propagate, cultivate, grow, harvest, produce, process, manufacture, compound, convert, prepare, pack, repack, or store cannabis;~~
- ~~(2) Deliver, transfer, or transport cannabis to a testing facility and compensate a testing facility for services provided;~~
- ~~(3) Accept cannabis offered by a cardholder or nonresident cardholder if nothing of value is exchanged in return;~~
- ~~(4) Purchase or otherwise acquire cannabis from a cultivation facility;~~
- ~~(5) Purchase cannabis seeds from a cardholder, nonresident cardholder, or the equivalent of a medical cannabis establishment that is registered in another jurisdiction; or~~
- ~~(6) Deliver, sell, supply, transfer, or transport cannabis, cannabis paraphernalia, or related supplies or educational materials to a cultivation facility and dispensary.~~

Section 10. That § 34-20G-10. be REPEALED:

~~No cannabis product manufacturing facility or a cannabis product manufacturing facility agent is subject to prosecution, search, or inspection, except by the department pursuant to § 34-20G-69, seizure, or penalty of any kind, or may be denied any right or privilege, including civil penalty or disciplinary action by a court or business licensing board or entity, for acting in accordance with this chapter to:~~

- ~~(1) Purchase or otherwise acquire cannabis from cultivation facility, and cannabis products or cannabis from a cannabis product manufacturing facility;~~
- ~~(2) Possess, produce, process, manufacture, compound, convert, prepare, pack, repack, and store cannabis or cannabis products;~~
- ~~(3) Deliver, transfer, or transport cannabis, cannabis products, cannabis paraphernalia, or related supplies or educational materials to a dispensary or cannabis product manufacturing facility;~~
- ~~(4) Deliver, transfer, or transport cannabis to testing facility and compensate testing facility for services provided; or~~
- ~~(5) Deliver, sell, supply, transfer, or transport cannabis, cannabis products, cannabis paraphernalia, or related supplies or educational materials to a cannabis product manufacturing facility or dispensary.~~

Section 11. That § 34-20G-11. be REPEALED:

~~No testing facility or testing facility agent is subject to prosecution, search, or inspection, except by the department pursuant to § 34-20G-69, seizure, or penalty in any manner, or may be denied any right or privilege, including civil penalty or disciplinary action by a court or business licensing board or entity, for acting in accordance with this chapter to:~~

- ~~(1) Acquire, possess, transport, and store cannabis or cannabis products obtained from a cardholder, nonresident cardholder or medical cannabis establishment;~~
- ~~(2) Return the cannabis or cannabis products to a cardholder, nonresident cardholder, or medical cannabis establishment from whom it was obtained;~~
- ~~(3) Test cannabis, including for potency, pesticides, mold, or contaminants; or~~
- ~~(4) Receive compensation for services under this section.~~

Section 12. That § 34-20G-12. be REPEALED:

~~A cardholder, nonresident cardholder, or the equivalent of a medical cannabis establishment that is registered in another jurisdiction may sell or donate cannabis seeds to a cultivation facility in this state.~~

Section 13. That § 34-20G-13. be REPEALED:

~~Any cannabis, cannabis product, cannabis paraphernalia, or other interest in or right to property that is possessed, owned, or used in connection with the medical use of cannabis as allowed under this chapter, or acts incidental to such use, may not be seized or forfeited. This chapter does not prevent the seizure or forfeiture of cannabis exceeding the amount allowed under this chapter, or prevent seizure or forfeiture if the basis for the action is unrelated to the cannabis that is possessed, manufactured, transferred, or used in accordance with this chapter.~~

Section 14. That § 34-20G-14. be REPEALED:

~~Possession of, or application for, a registry identification card does not constitute probable cause or reasonable suspicion, nor may it be used to support a search of the person or property of the person possessing or applying for the registry identification card, or otherwise subject the person or property of the person to inspection by any governmental agency.~~

Section 15. That § 34-20G-15. be REPEALED:

~~For the purposes of state law, an activity related to medical cannabis is lawful as long as it is conducted in accordance with this chapter.~~

Section 16. That § 34-20G-16. be REPEALED:

~~No law enforcement officer employed by an agency that receives state or local government funds may expend any state or local resources, including the officer's time, to effect any arrest or seizure of cannabis, or conduct any investigation, on the sole basis of activity the officer believes to constitute a violation of the federal Controlled Substances Act, 21 U.S.C. § 801 et seq., if the officer has reason to believe that the activity is in compliance with this chapter. No officer may expend any state or local resources, including the officer's time, to provide any information or logistical support related to any activity to any federal law enforcement authority or prosecuting entity.~~

Section 17, That § 34-20G-17, be REPEALED:

No contract entered into by a cardholder, a medical cannabis establishment or medical cannabis establishment agent or by a person who allows property to be used for an activity that is exempt from state criminal penalties by this chapter is unenforceable on the basis that activity related to cannabis is prohibited by federal law.

Section 18, That § 34-20G-18, be REPEALED:

This chapter does not authorize any person to engage in, and does not prevent the imposition of any civil, criminal or other penalty for engaging in, the following conduct:

- (1) Undertaking any task under the influence of cannabis, when doing so would constitute negligence or professional malpractice;
- (2) Possessing cannabis or otherwise engaging in the medical use of cannabis in any recreational facility;
- (3) Smoking or vaping cannabis;
- (4) On any form of public transportation;
- (b) In any public place or any place that is open to the public; or
- (c) If under the age of twenty-one;
- (4) Operating, navigating, or being in actual physical control of any motor vehicle, aircraft, train, or motorboat while under the influence of cannabis; or
- (5) Performing any safety-sensitive job under the influence of cannabis.

Section 19, That § 34-20G-19, be REPEALED:

A cardholder may not be refused enrollment by a school or a lease by a landlord or otherwise be penalized by a school or landlord solely for the person's status as a cardholder, unless failing to do so would violate federal law or regulations or cause the school or landlord to lose a monetary or licensing-related benefit under federal law or regulation. This section does not prevent a landlord from imposing reasonable restrictions on the medical use of cannabis by a cardholder who resides at the landlord's property.

Section 20, That § 34-20G-20, be REPEALED:

For the purposes of medical care, including organ and tissue transplants, a registered qualifying patient's use of cannabis in accordance with this chapter is considered the equivalent of the authorized use of any other medication used at the discretion of a practitioner and does not constitute the use of an illicit substance or otherwise disqualify a qualifying patient from needed medical care.

Section 21, That § 34-20G-21, be REPEALED:

No person may be denied custody of, visitation rights with, or parenting time with a minor solely because the person is a cardholder. There is no presumption of neglect or child endangerment for conduct allowed under this chapter, unless the person's behavior creates an unreasonable danger to the safety of the minor. Nothing in this chapter supersedes or otherwise affects custody, visitation rights, or parenting time based upon the best interests of the child.

Section 22, That § 34-20G-22, be REPEALED:

Except as provided in this chapter, a registered qualifying patient who uses cannabis for a medical purpose shall be afforded all the same rights under state and local law, as the person would be afforded if the person were solely prescribed a pharmaceutical medication, as it pertains to:

- (1) Any interaction with a person's employer;
- (2) Drug testing by a person's employer; or
- (3) Drug testing required by any state or local law, agency, or government official.

Section 23, That § 34-20G-23, be REPEALED:

The rights provided by §§ 34-20G-19 to 34-20G-25, inclusive, do not apply to the extent that they conflict with an employer's obligations under federal law or regulation or to the extent that they would disqualify an employer from a monetary or licensing-related benefit under federal law or regulation.

Section 24. That § 34-20G-24. be REPEALED:

~~No employer is required to allow the ingestion, possession, transfer, display, or transportation of cannabis in any workplace or to allow any employee to work while under the influence of cannabis. No employer is prohibited from establishing and enforcing a drug-free workplace policy that may include a drug-testing program that complies with state and federal law and acting with respect to an applicant or employee under the policy.~~

Section 25. That § 34-20G-25. be REPEALED:

~~No school, landlord, or employer may be penalized or denied any benefit under state law for enrolling, leasing to, or employing a cardholder.~~

Section 25.1. That § 34-20G-25.1. be REPEALED:

~~A health care facility, as defined in § 34-12-1.1, an accredited prevention or treatment facility, as defined in § 34-20A-2, a mental health center, as defined in § 27A-1-1, a child welfare agency, as defined in § 26-6-1, or a community support provider or community services provider, as defined in § 27B-1-17, may adopt restrictions on the use of medical cannabis by a cardholder who resides at, is actively receiving treatment or care from, or is visiting the facility. The restrictions may include a provision that the facility will not store or maintain the cardholder's supply of medical cannabis, that the facility is not responsible for providing the medical cannabis for cardholders, and that the medical cannabis be used only in a place specified by the facility. Nothing in this section requires a facility to adopt such restrictions or requires a facility to allow the consumption of medical cannabis on the grounds of the facility.~~

~~No employee or agent of a facility may be subject to arrest, prosecution, or penalty of any kind, or may be denied any right or privilege, including any civil penalty or disciplinary action by a court or occupational or professional licensing board for possession of medical cannabis while carrying out employment duties, including providing or supervising care to a cardholder, or distribution of medical cannabis to a cardholder who resides at or is actively receiving treatment or care at the facility with which the employee or agent is affiliated.~~

Section 26. That § 34-20G-26. be REPEALED:

~~Any resident of this state may petition the department to add a serious medical condition or treatment to the list of debilitating medical conditions as defined by this chapter. The department shall consider a petition in the manner required by rules promulgated by the department pursuant to this chapter, including public notice and hearing. The department shall approve or deny a petition within one hundred eighty days of submission. The approval or denial of any petition is a final decision of the department, subject to judicial review.~~

Section 27. That § 34-20G-27. be REPEALED:

~~Nothing in this chapter requires:~~

- ~~(1) A government medical assistance program or private health insurer, workers' compensation insurance carrier, or self-insured employer providing workers' compensation benefits, to reimburse a person for costs associated with the medical use of cannabis;~~
- ~~(2) Any person or establishment in lawful possession of property to allow a guest, client, customer, or other visitor to smoke or vape cannabis on or in that property;~~
- ~~(3) A landlord to allow the cultivation of cannabis on the rental property; or~~
- ~~(4) A state or local government to allow any conduct otherwise permitted by this chapter within a building owned, leased, or occupied by the state or local government.~~

Section 28. That § 34-20G-28. be REPEALED:

~~Nothing in this chapter prohibits an employer from disciplining an employee for ingesting cannabis in the workplace or for working while under the influence of cannabis.~~

Section 29. That § 34-20G-29. be REPEALED:

~~No later than November 18, 2021, the department shall issue registry identification cards to qualifying patients who submit the following, in accordance with rules promulgated by the department:~~

- ~~(1) A written certification issued by a practitioner within ninety days immediately preceding the date of an application;~~
- ~~(2) The application or renewal fee;~~

- ~~(3) The name, address, and date of birth of the qualifying patient, except that if the applicant is homeless, no address is required;~~
- ~~(4) The name, address, and telephone number of the qualifying patient's practitioner;~~
- ~~(5) The name, address, and date of birth of the designated caregiver, or designated caregivers, chosen by the qualifying patient;~~
- ~~(6) If more than one designated caregiver is designated at any given time, documentation demonstrating that a greater number of designated caregivers are needed due to the patient's age or medical condition;~~
- ~~(7) The name of no more than two dispensaries that the qualifying patient designates, if any; and~~
- ~~(8) If the qualifying patient designates a designated caregiver, a designation as to whether the qualifying patient or designated caregiver will be allowed under state law to possess and cultivate cannabis plants for the qualifying patient's medical use.~~

Section 30. That § 34-20G-30. be REPEALED:

~~If the qualifying patient is unable to submit the information required by § 34-20G-29 due to the person's age or medical condition, the person responsible for making medical decisions for the qualifying patient may do so on behalf of the qualifying patient.~~

Section 31. That § 34-20G-31. be REPEALED:

~~Except as provided in § 34-20G-32, the department shall:~~

- ~~(1) Verify the information contained in an application or renewal submitted pursuant to this chapter and approve or deny an application or renewal within fifteen days of receiving a completed application or renewal application;~~
- ~~(2) Issue registry identification cards to a qualifying patient and to a qualifying patient's designated caregivers, if any, within five days of approving the application or renewal. A designated caregiver shall have a registry identification card for each of the qualifying patients; and~~
- ~~(3) Enter the registry identification number of any dispensary the patient designates into the verification system.~~

Section 32. That § 34-20G-32. be REPEALED:

~~The department may conduct a background check of a designated caregiver in order to carry out the provisions of § 34-20G-31.~~
