Greetings:

Pursuant to State law, the Secretary of State is required to compile and produce an official record of election results from the preceding election.

This statistical information serves as the official record of the vote, and is what many people base many actions on such as weighted voting within political party organizations and signature requirements for candidates and ballot issues.

If there is any information not listed on statewide or legislative races that you might be seeking, please feel free to contact my office at (605) 773-3537.

Attorney General Explanation: The Constitution currently authorizes the Legislature to allow two kinds of games of chance in Deadwood: limited card games and slot machines. These initiated measures will not become effective unless approved by majority vote.</p> <p>Initiated Measure 17 Title: An initiated measure to require health insurers to include all willing and qualified health care providers on their provider lists. Attorney General Explanation: Some health insurers offer health benefit plans in which the insurer maintains a list of health care providers. Plan members must use listed providers in order to obtain the maximum plan coverage, or to have coverage at all. "Health care providers" include doctors and other licensed health care professionals, clinics and hospitals. The initiated measure establishes who is entitled to be on the insurer's list of providers. The measure requires that these insurers list all health care providers who are willing, qualified and meet the conditions for participation established by the insurer. The measure does not apply to all health insurers, nor to certain kinds of insurance and plans including those involving specified disease, indemnity, accident only, dental, vision, Medicare supplement, long-term care or disability income, and workers' compensation.</p> <p><input type="radio"/> Yes A vote "Yes" is for the law requiring health insurers to include all willing and qualified health care providers on their provider lists.</p> <p><input type="radio"/> No A vote "No" is against the proposed law.</p>

In addition, the hourly minimum wage for tipped employees will be half the minimum wage for non-tipped employees as adjusted by any cost of living increase described above. These increases would apply to all employers in South Dakota, with limited exceptions.</p> <p><input type="radio"/> Yes A vote "Yes" is for the increase in the state minimum wage.</p> <p><input type="radio"/> No A vote "No" is against the change in the law.</p>

2014 Constitutional Amendments

The following amendment to the State Constitution is submitted to the voters by the Legislature. The amendment will not become effective unless approved by majority vote.

Constitutional Amendment Q

Title:

An Amendment to the South Dakota Constitution authorizing the Legislature to allow roulette, keno and craps in Deadwood.

Attorney General Explanation:

The Constitution currently authorizes the Legislature to allow two kinds of games of chance in Deadwood: limited card games and slot machines. The proposed amendment authorizes the Legislature to also allow roulette, keno and craps in Deadwood.

Under federal law, any games of chance authorized by the Legislature to be offered in Deadwood would also be allowed at on-reservation tribal casinos.

A vote “Yes” is for changing the constitution to allow the Legislature to authorize roulette, keno and craps in Deadwood.

A vote “No” will leave the constitution as it is.

Full Text of Constitutional Amendment Q

That Article III, section 25 of the Constitution of the State of South Dakota, be amended to read as follows:

§ 25. The Legislature shall not authorize any game of chance, lottery, or gift enterprise, under any pretense, or for any purpose whatever provided, however, it shall be lawful for the Legislature to authorize by law, bona fide veterans, charitable, educational, religious or fraternal organizations, civic and service clubs, volunteer fire departments, or such other public spirited organizations as it may recognize, to conduct games of chance when the entire net proceeds of such games of chance are to be devoted to educational, charitable, patriotic, religious, or other public spirited uses. However, it shall be lawful for the Legislature to authorize by law a state lottery or video games of chance, or both, which are regulated by the state of South Dakota, either separately by the state or jointly with one or more states, and which are owned and operated by the state of South Dakota, either separately by the state or jointly with one or more states or persons, provided any such video games of chance shall not directly dispense coins or tokens. However, the Legislature shall not expand the statutory authority existing as of June 1, 1994, regarding any private ownership of state lottery games or video games of chance, or both. The Legislature shall establish the portion of proceeds due the state from such lottery or video games of chance, or both, and the purposes for which those proceeds are to be used. SDCL 42-7A, and its amendments, regulations, and related laws, and all acts and contracts relying for authority upon such laws and regulations, beginning July 1, 1987, to the effective date of this amendment, are ratified and approved. Further, it shall be lawful for the Legislature to authorize by law, roulette, keno, craps, limited card games and slot machines within the city limits of Deadwood, ~~provided that 60% of the voters of the City of Deadwood approve legislatively authorized card games and slot machines at an election called for such purpose.~~ The entire net Municipal proceeds of such roulette, keno, craps, card games and slot machines shall be devoted to the Historic Restoration and Preservation of Deadwood.

2014 Initiated Measures

The following initiated measures were proposed by petition for submission to the voters. These initiated measures will not become effective unless approved by majority vote.

Initiated Measure 17

Title:

An initiated measure to require health insurers to include all willing and qualified health care providers on their provider lists.

Attorney General Explanation:

Some health insurers offer health benefit plans in which the insurer maintains a list of health care providers. Plan members must use listed providers in order to obtain the maximum plan coverage, or to have coverage at all. “Health care providers” include doctors and other licensed health care professionals, clinics and hospitals.

The initiated measure establishes who is entitled to be on the insurer’s list of providers. The measure requires that these insurers list all health care providers who are willing, qualified and meet the conditions for participation established by the insurer.

The measure does not apply to all health insurers, nor to certain kinds of insurance and plans including those involving specified disease, indemnity, accident only, dental, vision, Medicare supplement, long-term care or disability income, and workers’ compensation.

A vote “Yes” is for the law requiring health insurers to include all willing and qualified health care providers on their provider lists.

A vote “No” is against the proposed law.

Full Text of Initiated Measure 17

Section 1. No health insurer, including the South Dakota Medicaid program, may obstruct patient choice by excluding a health care provider licensed under the laws of this state from participating on the health insurer’s panel of providers if the provider is located within the geographic coverage area of the health benefit plan and is willing and fully qualified to meet the terms and conditions of participation as established by the health insurer.

Section 2. Terms and used in this Initiated Measure mean:

(1) “Health benefit plan,” any hospital or medical expense policy or certificate, hospital or medical service plan, nonprofit hospital, medical-surgical health service corporation contract or certificate, provider sponsored integrated health delivery network, self-insured plan or plan provided by multiple employer welfare arrangements, health maintenance organization subscriber contract of more than six-month duration, or any health benefit plan that affects the rights of a South Dakota insured and bears a reasonable relation to South Dakota, whether delivered or issued for delivery in South Dakota. The term does not include specified disease, hospital indemnity, fixed indemnity, accident only, credit, dental, vision, Medicare supplement, long-term care or disability income insurance, coverage issued as a supplement to liability insurance, workers’ compensation or similar insurance, automobile medical payment insurance, or any plan or coverage exempted from state regulation by the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 18;

(2) “Health insurer,” any entity within the definitions set forth in subdivisions 58-17F-1(11), (12), and (15), any entity offering a health benefit plan as defined by §58-17F-2, all self-insurers or multiple employer welfare arrangements, and self-insured employer-organized associations. The term does not include any entity exempted from state regulation by the Employee Retirement Income Security Act of 1974 (ERISA), 29 U.S.C. 18;

(3) “Health care provider,” any individual or entity within the scope of the definition of health care provider as defined by subdivision 58-17F-1(9).

Initiated Measure 18

Title:

An initiated measure to increase the state minimum wage.

Attorney General Explanation:

The initiated measure amends state law to raise South Dakota’s hourly minimum wage for non-tipped employees from \$7.25 to \$8.50 per hour, effective January 1, 2015. Thereafter, this minimum wage will be annually adjusted by any increase in the cost of living. The cost of living increase is measured by the change in the Consumer Price Index published by the U.S. Department of Labor. In no case may the minimum wage be decreased.

In addition, the hourly minimum wage for tipped employees will be half the minimum wage for non-tipped employees as adjusted by any cost of living increase described above.

These increases would apply to all employers in South Dakota, with limited exceptions.

A vote “Yes” is for the increase in the state minimum wage.

A vote “No” is against the change in the law.

Full Text of Initiated Measure 18

Section 1. That §60-11-3 be amended to read as follows:

60-11-3. Every employer shall pay to each employee wages at a rate of not less than ~~seven~~ eight dollars and ~~twenty-five~~ fifty cents an hour. Violation of this section is a Class 2 misdemeanor. The provisions of this section do not apply to certain employees being paid an opportunity wage pursuant to §60-11-4.1, babysitters, or outside salespersons. The provisions of this section do not apply to employees employed by an amusement or recreational establishment, an organized camp, or a religious or nonprofit educational conference center if one of the following apply:

- (1) The establishment, camp, or center does not operate for more than seven months in any calendar year; or
- (2) During the preceding calendar year, the average receipts of the establishment, camp, or center for any six months of the calendar year were not more than thirty-three and one-third percent of its average receipts for the other six months of the year.

Section 2. That §60-11-3.1 be amended to read as follows:

60-11-3.1. Any employer of a tipped employee shall pay a cash wage of not less than ~~two dollars and thirteen cents an hour~~ fifty percent of the minimum wage provided by §60-11-3 if the employer claims a tip credit against the employer’s minimum wage obligation. If an employee’s tip combined with the employer’s cash wage of not less than ~~two dollars and thirteen cents an hour~~ fifty percent of the minimum wage provided by §60-11-3 does not equal the minimum hourly wage, the employer shall make up the difference as additional wages for each regular pay period of the employer. A tipped employee is one engaged in an occupation in which the employee customarily and regularly receives more than thirty-five dollars a month in tips or other considerations. This section does not apply to babysitters or outside salespersons. This section also does not apply to employees employed by an amusement or recreational establishment, an organized camp, or a religious or nonprofit educational conference center if one of the following apply:

- (1) The establishment, camp, or center does not operate for more than seven months in any calendar year; or
- (2) During the preceding calendar year, the average receipts of the establishment, camp, or center for any six months of the calendar year were not more than thirty-three and one-third percent of its average receipts for the other six months of the year.

Section 3. That chapter 60-11 be amended by adding thereto a NEW SECTION to read as follows: Beginning January 1, 2016, and again on January 1 of each year thereafter, the minimum wage provided by §60-11-13 shall be adjusted by the increase, if any, in the cost of living.
