CONSTITUTIONAL AMENDMENT C

AJOINT RESOLUTION, proposing and submitting to the electors at the next general election an amendment to Article VIII of the Constitution of the State of South Dakota, relating to the loan of nonsectarian textbooks

Attorney General's explanation:

This proposed Constitutional Amendment would:

Allow the Legislature to authorize only the loaning of nonsectarian textbooks to all children in this state. The effect of this amendment is to allow the Legislature to create an exception to existing constitutional prohibitions against public bodies using public lands, money, or other property to support religious or sectarian organizations. The South Dakota Supreme Court ruled that the existing constitutional prohibitions prevent the loaning of textbooks to all children not attending public school.

A vote "YES" by a majority will change the Constitution as explained above.

A vote "NO" by a majority will leave the Constitution as it exists.

INITIATED MEASURE 1

A JOINT RESOLUTION, Enacting and submitting to a vote of the electors of this state at the next general election an initiated law to establish the legal observance of Memorial Day as the last Monday in May.

ATTORNEY GENERAL'S EXPLANATION:

This initiated law would:

Establish as a legal holiday in South Dakota the last Monday in May of each year to be known as Memorial Day and would eliminate May 30th of each year as a holiday.

The last Monday in May is the date the United States Congress has set for the observance of Memorial Day.

In 1986, for example, the National Memorial Day occurred on Monday, May 26; however, South Dakota observed Memorial Day on Friday, May 30. If approved, this measure would set the state and national holiday to occur on the same date.

A vote "YES" is for enactment of the proposal into law.

A vote "NO" is against its becoming law.

CONSTITUTIONAL AMENDMENT A

A JOINT RESOLUTION, proposing and submitting to the electors at the next general election an amendment to Article IV, section 5 of the Constitution of the State of South Dakota, relating to the duties of the lieutenant governor.

Attorney General's explanation:

This proposed Constitutional Amendment would:

Eliminate from the existing constitutional provision for powers and duties of the Lieutenant Governor the following provision:

The lieutenant governor shall be president of the senate but shall have no vote unless the senators be equally divided.

By elimination of this section, the Governor may by law establish the duties of the Lieutenant Governor. The Governor could require such duties and responsibilities as he or she deems appropriate.

A vote "YES" by a majority will change the Constitution as explained above.

A vote "NO" by a majority will leave the Constitution as it exists.

CONSTITUTIONAL AMENDMENT B

A JOINT RESOLUTION, proposing and submitting to the electors at the next general election an amendment to Article III of the Constitution of the State of South Dakota, relating to the authorization of a state lottery.

Attorney General's explanation:

This proposed Constitutional Amendment would:

Permit the Legislature to authorize a state lottery, to be state regulated, controlled, owned, and operated, either separately by South Dakota, or in cooperation with one or more other states; the net proceeds of which would be used for any purpose the Legislature should choose. The Constitution does not presently allow the State to operate a lottery.

A vote "YES" by a majority will change the Constitution as explained above.

A vote "NO" by a majority will leave the Constitution as it exists.
