## **Constitutional Amendment G**

**Title:** An Amendment to Article VIII of the South Dakota Constitution, permitting the investment of permanent school funds in certain stocks, bonds, mutual funds, and other financial instruments.

**Attorney General Explanation:** The S.D. Investment Council manages and invests the state permanent school fund, and other educational or charitable funds. The Investment Council may not buy stocks, mutual funds or similar investments with this money. Additionally, if any of these funds lose money, the Legislature must reimburse all losses.

Amendment G would allow the Investment Council to purchase stocks and similar investments. If these investments lose money, the Legislature would only be required to reimburse if the loss was caused by imprudence or other unconstitutional acts.

## **Constitutional Amendment H**

**Title:** Amendments to Article III, Section 3 of the South Dakota Constitution, relating to age qualifications for legislative office, and to Article IV, Section 2 of the South Dakota Constitution, relating to the age qualifications for Governor and lieutenant governor.

**Attorney General Explanation:** The Constitution requires that state senators and representatives be 25 years of age or older, and that the Governor and lieutenant governor be 18 years of age or older. Amendment H would lower the age qualification for state senators and representatives from 25 to 21, and would raise the age qualification for the Governor and lieutenant governor from 18 to 21.

## **Referred Law 2**

**Title:** An act to transfer the unclaimed property office from the State Treasurer's Office to the Secretary of Revenue.

**Attorney General Explanation:** Under current law, the State Treasurer administers the unclaimed property laws. The 1997 Legislature transferred this responsibility to the Secretary of Revenue.

**South Dakota General Election November 3, 1998**

## **Constitutional Amendment D**

**Title:** An Amendment to Article IX of the South Dakota Constitution authorizing local initiatives to provide for the cooperation and organization of local government.

**Attorney General Explanation:** Amendment D would allow voters of local government units to combine, eliminate, or jointly finance local offices, functions, or governmental units. A majority vote in each affected governmental unit would be required.

## **Constitutional Amendment E**

**Title:** Initiated amendment to Article XVII of the South Dakota Constitution concerning ownership and interest in farming.

**Attorney General Explanation:** Currently, the Constitution does not restrict the use or ownership of farmland. However, the Legislature has prohibited some corporations from engaging in farming, and in certain hog production activities.

Amendment E would create constitutional prohibitions. Many corporations, limited partnerships, limited liability companies, and other business entities would not be permitted to own farmland or engage in farming or livestock production.

Amendment E does not affect current ownership or leasing of farmland, or livestock production, by these businesses. However, it would prohibit them from farming new land, or buying, leasing, or contracting for any new interest in farm lands, farming or livestock production. The Amendment may potentially prevent these businesses from renewing current leases.

Amendment E would not affect qualified family farm corporations, nonprofit corporations, certain ag co-ops, research farms, alfalfa leases, livestock futures, certain custom farm work, security interests, the purchase of land for nonfarm purposes, and other activities.

## **Constitutional Amendment F**

**Title:** An amendment to Article VIII of the South Dakota Constitution, concerning the classification of property for purposes of taxation.

**Attorney General Explanation:** The Constitution permits the Legislature to classify real property for school taxation purposes, but limits agricultural property to a single class.

Amendment F would permit an unlimited number of classes of agricultural property for school taxation purposes. The number of classes and the tax rate for each class would be set by the Legislature. All property would still be assessed at or in equal proportion to its fair market value.

Amendment F may conflict with Amendment A. If both constitutional amendments pass and are found to conflict with each other, one or both could be declared void.

**South Dakota General Election November 3, 1998**

# 1998 South Dakota Ballot Questions

## Constitutional Amendment A

**Title:** Initiated amendment to Article VIII, Section 15 of the South Dakota Constitution concerning the taxation of real property for school purposes.

**Attorney General Explanation:** School districts have a constitutional right to use real property taxes to pay their expenses. On average, about half of school funding comes from property taxes. If property taxes are removed as a source of revenue for schools, the Constitution requires that the Legislature find some other method of funding public schools.

Amendment A would not eliminate property taxes, but would prohibit using such taxes for public schools.

Amendment A contains no effective date. If it is effective immediately, and the Legislature does not meet and find an immediate alternative revenue source, then contract rights may be violated. Property taxes for payment of existing school bonds will probably not be affected.

Amendment A may conflict with Amendment F. If both constitutional amendments pass and are found to conflict with each other, one or both could be declared void.

## Constitutional Amendment B

**Title:** An Amendment to Article III of the South Dakota Constitution concerning the authority of a special interim legislative committee to approve the transfer of appropriated funds.

**Attorney General Explanation:** Each year, the entire Legislature appropriates money which may be spent only for specific, approved purposes.

Amendment B would allow the Legislature to create a joint legislative committee to act when the Legislature is not in session. This committee would have the power to approve funding transfers and change the purposes for which the transferred funds were initially appropriated.

## Constitutional Amendment C

**Title:** An Amendment to Article III, Section 12 of the South Dakota Constitution concerning legislative conflicts of interest.

**Attorney General Explanation:** Amendment C removes some "conflict of interest" restrictions upon legislators. Legislators are currently prohibited from having a direct or indirect interest in state contracts and in some county contracts, during their term or one year thereafter.

Amendment C would allow legislators to have a personal, indirect financial interest in state contracts, and a direct financial interest in any county contract.

Under current law, no legislator may be elected or appointed to a state or local office, if the Legislature created the office or increased its compensation during the legislator's term. Amendment C would allow such an election or appointment.

Under current law, legislators may not hold certain state executive and administrative offices during their term. Amendment C would allow legislators to hold these offices during their term, if they are not compensated.
